

AMENDMENTSIn the Claims:

Please cancel claims 1-38 without prejudice and add new claims 39-76 as set forth below. All the claims pending are reproduced below.

Claims 1-38 (canceled)

39. (new) A card to be carried by a person for use in alerting others that an animal is in need of care, said card comprising:

a substrate;

emergency warning indicia for alerting others that the animal is in need of care disposed on said substrate; and

indicia disposed on said substrate for requesting information and designating a printing area for identifying at least one of a) an address for locating the animal in need of care, and b) a contact person.

40. (new) The card of claim 39 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care.

41. (new) The card of claim 39 wherein said indicia comprises indicia for identifying said contact person.

42. (new) The card of claim 39 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care and said contact person.

43. (new) The card of claim 39 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying a description of the animal.

44. (new) The card of claim 39 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying veterinarian information.
45. (new) The card of claim 39 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying an owner of the animal, veterinarian information, and a description of the animal.
46. (new) The card of claim 39 wherein said emergency warning indicia comprises a cross.
47. (new) The card of claim 39 wherein said emergency warning indicia comprises a medical warning symbol.
48. (new) The card of claim 39 wherein said emergency warning indicia comprises a cross and images of at least one animal.
49. (new) The card of claim 39 wherein said emergency warning indicia comprises the color red.
50. (new) The card of claim 39 wherein said substrate comprises a wallet-sized card.

51. (new) A kit for use in alerting others that an animal is in need of care, said kit comprising:

a card of claim 39;

a sticker attachable to a building corresponding to the location of the animal, said sticker comprising an emergency warning indicia for alerting others that the animal is in need of care on said sticker; and

wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

52. (new) The kit of claim 51 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number of and type of animal on said sticker.

53. (new) The kit method of claim 51 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person on said sticker.

54. (new) A card to be carried by the person for use in alerting others that an animal is in need of care, said card comprising:

a wallet-sized substrate;

emergency warning indicia for alerting others that the animal is in need of care disposed on said substrate, said emergency warning indicia comprising a red medical warning symbol and at least one image of an animal; and

indicia disposed on said substrate for requesting information and designating a printing area for identifying an owner of the animal, an address of the owner, a contact person, veterinarian information, and a description of the animal.

55. (new) A kit for use in alerting others that an animal is in need of care, said kit comprising:

a card of claim 54;

a sticker attachable to a building corresponding to the location of the animal, said sticker comprising an emergency warning indicia for alerting others that the animal is in need of care on said sticker; and

wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

56. (new) The kit of claim 55 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number of and type of animal on said sticker.

57. (new) The kit of claim 55 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person on said sticker.

58. (new) A card to be carried by the person for use in alerting others that an animal is in need of care, the card comprising:

a first substrate comprising a first side and a second side;

an emergency warning indicia for alerting others that the animal is in need of care disposed on said first side;

a second substrate comprising a first side, a second side, and a score line defining said second substrate into foldable and overlapping first and second portions, said first portion being attached to said second side of said first substrate; and

indicia disposed on said second substrate for requesting information and designating a printing area for identifying at least one of a) an address for locating the animal in need of care, and b) a contact person.

59. (new) The card of claim 58 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care.

60. (new) The card of claim 58 wherein said indicia comprises indicia for identifying said contact person.
61. (new) The card of claim 58 wherein said indicia comprises indicia for identifying said address for locating the animal in need of care and said contact person.
62. (new) The card of claim 58 further comprising indicia disposed on said second substrate for requesting information and designating a printing area for identifying a description of the animal.
63. (new) The card of claim 58 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying veterinarian information.
64. (new) The card of claim 58 further comprising indicia disposed on said substrate for requesting information and designating a printing area for identifying an owner of the animal, veterinarian information, and a description of the animal.
65. (new) The card of claim 58 wherein said emergency warning indicia comprises a cross.
66. (new) The card of claim 58 wherein said emergency warning indicia comprises a medical warning symbol.
67. (new) The card of claim 58 wherein said emergency warning indicia comprises a cross and images of at least one animal.
68. (new) The card of claim 58 wherein said emergency warning indicia comprises the color red.

69. (new) The card of claim 58 wherein said substrate comprises a wallet-sized card.
70. (new) A kit for use in alerting others that an animal is in need of care, said kit comprising:
- a card of claim 58;
 - a sticker attachable to a building corresponding to the location of the animal, said sticker comprising an emergency warning indicia for alerting others that the animal is in need of care on said sticker; and
 - wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.
71. (new) The kit of claim 70 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number of and type of animal on said sticker.
72. (new) The kit of claim 70 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person on said sticker.
73. (new) A card to be carried by a person for use in alerting others that an animal is in need of care, said card comprising:
- a first wallet-sized substrate comprising a first side and a second side;
 - an emergency warning indicia disposed on said first side of said first substrate, said emergency warning indicia comprising a medical warning symbol and at least one image of an animal;
 - a second substrate comprising a first side, a second side, and a score line defining said second substrate into foldable and overlapping wallet-sized first and second portions; and
 - indicia disposed on said second substrate for requesting information and designating a printing area for identifying an owner of the animal, an address of the owner, a contact person, veterinarian information, and a description of the animal.

74. (new) A kit for use in alerting others that an animal is in need of care, said kit comprising:

a card of claim 73; and

a sticker attachable to a building corresponding to the location of the animal, said sticker comprising an emergency warning indicia for alerting others that the animal is in need of care on said sticker; and

wherein said emergency warning indicia of said card corresponds to said emergency warning indicia of said sticker.

75. (new) The kit of claim 74 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying the number and type of animal on said sticker.

76. (new) The kit method of claim 74 wherein said sticker comprises indicia for requesting information and designating a printing area for identifying a contact person on said sticker.
